

Questionnaire for the Annual Survey of Employer Benefits

Northeastern Indiana

Thank you for completing our annual survey of employer benefits policies and practices in Northeast Indiana.

The report we generate from this survey is an invaluable tool for economic development organizations and also for the business community.

We ask for a lot of information and completing the survey will require an investment of time and effort from you. In exchange for finishing the survey you receive our gratitude, the knowledge that you are helping economic development efforts, and a copy of the completed report.

As with any survey, the quality of the report depends on the quality of the data submitted. Please help by answering all of the questions completely and accurately. Be assured that the information we gather for this report is confidential.

Returning to the 2023 Survey

Once you have registered for the 2023 survey or as you complete sections, you may save pages and return at a later date to make additions, corrections, or to move onto subsequent sections. Enter the e-mail and password you used at the time of registration to return to the survey. You must fully complete the survey for the data to be downloaded and tabulated and once you do a final save on the last page, you will not be able to return and make changes.

We look forward to receiving your completed questionnaire by the deadline so we may fully incorporate your responses. If you have any questions or concerns, please contact the survey coordinator via email at info@WagesBenefitsSurvey.com.

Thank you for your time and effort in completing the questionnaire. Your continued support is sincerely appreciated.

Your information is secure. Your information is being encrypted using SSL technology. This is the same method of encryption used by online banking institutions. The lock icon on your browser will be displayed through the survey indicating that the encryption is in use.
